

## DELIVERY AND 6-YEAR WARRANTY OF THE THOR LX2.3 Laser and LED Therapy System

### SHIPPING

Most orders will ship within 30 days from the time your order is confirmed, and payment is received and cleared. We do not guarantee a date-specific arrival of your order.

### DELIVERY

THOR will send you a shipping confirmation email with tracking details to inform you of the expected delivery date.

### ADDRESSING

We can only ship to street addresses. Couriers cannot deliver to a PO Box.

### 6-YEAR Conditional Warranty

THOR warrants that LX2.3 Control Unit and Treatment Probes that were delivered after 10 March 2024 will function and perform within specification for two years from the date of delivery. This is automatically extended for another two years if serviced by THOR Photomedicine Ltd or a THOR authorised service centre, every two years continuously up to a maximum of six years.

This warranty covers all parts and labour for those two years with some exclusions (see below). In the unlikely event that the product fails within the terms of the warranty repairs will be performed at no charge.

### SERVICE

To arrange a service of the equipment visit the website [www.thorlaser.com/service](http://www.thorlaser.com/service).

### REPAIRS

THOR warrants LX2.3 Control Unit and Treatment Probes repairs for two years. This warranty covers all parts and labour for that two (2) year period with some exclusions (see below).

The warranty shall not apply to faults which are the result of abuse, modification, damage, tampering or repairs other than those conducted by THOR. THOR shall not be liable for any consequential loss or inconvenience caused by any failure of its products.

### WARRANTY EXCLUSIONS

Treatment probe cables are excluded from our warranties as the lifetime of these will depend on the environment in use and operator care. The warranty shall not apply to equipment that has been abused, modified or damaged, or fitted with substitute parts other than parts fitted by THOR.
